## How to Use This Directory

The purpose of the 2016-2017 Wyoming State Government Directory is to aid citizens in accessing state government. The Directory includes a brief listing of county and federal officials in order to help maintain open lines of communication with all branches of government.

All information compiled in the 2016-2017 Directory was provided directly from the agency, board or proper authority. Thank you to those individuals who provided information for this edition. In instances where information in excess of what was applicable was provided, that information was omitted.

The Directory is divided into six major sections: Executive Branch – State Elected Officials; Executive Branch – State Agencies (which includes Boards, Commissions, and Councils); Judicial Branch; Legislative Branch; United States Officials; and County Officials. If you are not sure which section to reference, there is a Subject Index as well as a Surname Index at the back of the book which may be of help.

Maps: For information regarding boards' and commissions' membership boundaries, please see Pages 160-162; for judicial boundaries, please see Page 188; and for county boundaries, please see Page 243.

All state agency phone numbers are accessible to deaf, hard of hearing, and speech impaired callers through Wyoming Relay at 711 (for all call types).
