

Legislative Branch

The Legislative Branch of State government drafts and passes laws providing for the well-being, growth and development of the State, and for the protection of her citizens.

The Wyoming State Legislature consists of 30 State Senators and 60 State Representatives. The term of office for Senators is four years, 15 of the members being elected at a General Election at which a President of the United States is elected, the balance at the next General Election. The entire body of the House of Representatives is elected every two years to serve a two-year term. Terms begin on the first Monday of January following the election.

The General Legislative Session convenes on the second Tuesday of January of odd-numbered years and shall not exceed 40 legislative working days. In 1972, voters in Wyoming approved an amendment to the Wyoming Constitution that permitted an additional session of the Wyoming Legislature in even-numbered years to consider the State's budget. The Budget Session convenes on the second Monday of February of even-numbered years and the total of the General and Budget Sessions shall not exceed 60 legislative working days.

The present Legislature has a Republican majority in both bodies: 27 Republicans to 3 Democrats in the Senate; 51 Republicans to 9 Democrats in the House.

In 2017, there are 3 women serving in the Senate and 7 women in the House of Representatives.

The General Session of the 64th Legislature will convene on January 10, 2017. The Budget Session of the 64th Legislature will convene on February 12, 2018.
