

**Wyoming Public Safety Communications Commission  
Rules and Regulations**

**Chapter 1**

**GENERAL PROVISIONS**

**Section 1. - Authority**

(a) These rules are written in accordance with the authority provided in Wyoming Statute §9-2-1104(a)(v) and pursuant to the requirements of the Wyoming Administrative Procedure Act, Wyoming Statute §16-3-101 et seq.

**Section 2 - Purpose**

(a) The purpose of the Wyoming Public Safety Communications Commission is:

(i) Promote the development, improvement and efficiency of public safety communications systems in the state.

(ii) Promulgate necessary rules and establish policies and procedures to govern the operation, participation, and user fees of the WyoLink system.

(iii) Determine the participation requirements of public safety agencies and private entities in the wireless communications network.

**Section 3. - Definitions**

(a) These rules shall be known as the “Wyoming Public Safety Radio Communications Rules.”

(b) “Administrator” means the State of Wyoming employee that is tasked with the operation and management of the WyoLink system.

(c) “Commission” means the Wyoming Public Safety Communications Commission.

(d) “Director” means the Wyoming Public Safety Communications Commission Executive Director.

*Effective 12/29/06*

(e) “WyoLink” means Wyoming’s Public Safety Radio Communications System.
